

EMPLOYER RECOMMENDATION FORM

BRICK AND BLOCKLAYING
APPRENTICE OF THE YEAR

Congratulations for training an apprentice that you regard as worth considering for this award. If you undertook an apprenticeship yourself, you will appreciate the value that this time in employment has on a tradespersons career – thank you.

To help us compare an apprentice with their peers we need some input from you on your observations as the employer.

Please note: You may either complete this form OR write an open letter to support your apprentice's registration. If you chose to write a letter, you need to ensure that all information requested in this form has been covered.

Apprentice's Name:	
Employer's Name:	
Company Name:	
Contact Details:	
Contact Address:	

Are you able to confirm that your apprentice carried out the work in the projects they are submitting with their application?

Do you believe that your apprentice has a good understanding of building regulations and please provide an example of where they have demonstrated this to you?

Does your apprentice demonstrate the ability of working within their competency – i.e. do they know to come for help when encountering something new – it would be helpful if you can give an example.

Is your apprentice a 'good employee' and if so – can you please explain why you think so (i.e. they turn up to work on time, right gear, hard working, listen to instructions...)

Does your apprentice display good communication skills when dealing with you, their workmates and clients?

What sort of technology are you aware of your apprentice using?
