

MODERATION FIVE YEAR PLAN

Please note: Where a provider is assessing unit standards outside those allocated in the BCITO Moderation Five Year Plan, a minimum of three other unit standards will need to be presented for moderation.

- Unit standards identified in *italics* are no longer available and are expiring.
- The unit standards in bold type have been identified by the BCITO as **HIGH RISK** units.
- Blue units in Construction Management are units under negotiation to become BCITO scope units.
